

Cut Your International Roaming Bills In Half!

SAVE 50% - 75%

Roaming made easy...roam smart, go RoamAbout!

The Smart Mobile Roaming Alternative! If you are tired of paying outrageous International rates to receive calls to your regular mobile when abroad, or to make calls home, then **RoamAbout** is your solution. **RoamAbout Mobile** offers a unique cost saving service designed for the business traveler or cross-border worker.

With **RoamAbout** you **take your number with you** and **SAVE 50-75%** on the **all** the calls to your mobile while roaming anywhere in the world – with equally competitive rates calling home or to another location from the visited country.

How it works: You register your regular number(s) with our service and we forward your calls to a low cost locally registered SIM or phone in the destination country, via our global network. You can even include your home and office numbers for forwarding too. You can get a local SIM or phone from us before you leave or acquire your own locally when you arrive; either way you simply register the traveling SIM number with your account on our web site.

The **RoamAbout** solution uses SIP-based VoIP, GSM and some unique patented technology to deliver a simple solution in a single package with FREE voice mail, web SMS portal and even a global conference bridging service. No matter how many countries you travel to, your calls will reach you, because you can change the destination number as often as you wish. In country, you make local calls on the in country pre-paid SIM and use **RoamAbout** when calling Internationally.

- ◆ **Receive calls to Your home mobile number** – *Travel anywhere and all calls to your regular number reach you a much lower cost and transparent to your caller. Home and Office Lines Too!*

- ◆ **Make International Calls** *at great savings (as low as \$.03/min)*

- ◆ **Free Voice Mail Box**

- ◆ *Easy to use SMS Portals on web our site and a Global Conference Bridge for up to 100 simultaneous callers.*

- ◆ *Flexible programs and custom accounting designed for YOUR needs.*

The Smart Mobile Roaming Alternative!

WHERE IS ROAMABOUT?

We have switched access in the following countries and are adding more every day. We plan access in about 100 countries by the end of Q1 2006. Today we have offices and facilities in:

<i>Australia</i>	<i>Estonia</i>	<i>Luxembourg</i>	<i>Singapore</i>
<i>Argentina</i>	<i>Finland</i>	<i>Malaysia</i>	<i>Spain</i>
<i>Belgium</i>	<i>Ireland</i>	<i>New Zealand</i>	<i>Sweden</i>
<i>Brazil</i>	<i>Israel</i>	<i>Norway</i>	<i>Switzerland</i>
<i>Bulgaria</i>	<i>Italy</i>	<i>Pakistan</i>	<i>Turkey</i>
<i>Czech Republic</i>	<i>France</i>	<i>Peru</i>	<i>United Kingdom</i>
<i>Canada</i>	<i>Germany</i>	<i>Poland</i>	<i>United States</i>
<i>Chile</i>	<i>Guatemala</i>	<i>Portugal</i>	
<i>Denmark</i>	<i>Japan</i>	<i>Romania</i>	

We are currently provisioning and anticipate soon adding service from:

<i>Hungary</i>	<i>Lebanon</i>	<i>China</i>	<i>South Africa</i>
<i>India</i>	<i>Saudi Arabia</i>	<i>Jordan</i>	<i>Greece</i>
<i>Latvia (testing)</i>	<i>Hong Kong</i>	<i>Panama</i>	<i>Costa Rica</i>
<i>Mexico (testing)</i>	<i>Taiwan</i>	<i>United Arab Emirates</i>	<i>Russia (testing)</i>

With the RoamAbout Soft Phone, users can enjoy our services from anywhere you can access the Internet. Account Control is via the Internet or, in each country we have access, RoamAbout provides Account Control a local Interactive Voice Response (IVR) system (Automated Attendant). The RoamAbout IVR is available in English, German, French, Spanish, Japanese, Chinese or Arabic.

WHAT PRODUCTS ARE OFFERED?

Our on-line store offers products which complement your International roaming and business travel; our intention is to provide these as close to cost as we can...they are intended to be a convenience. Several retail business partners supply us with product. Generally, you can order any item and we will deliver it to you anywhere in the world. We are also in the process of opening retail outlets in over 60-countries, some even in national airports.

RoamAbout displays the wide variety of unlocked new **GSM World Phones** (Tri-band or Quad-band), GPRS or 3G phones World Phones. With access to over 300 mobile phones from Nokia, Motorola, Sony Ericsson, Samsung, Sanyo and Handspring we hope you will find what you like. We will be also offering a variety of headsets and useful accessories.

RoamAbout offers pre-paid GSM **SIM cards** for over 130 countries.

We provide a number of long-term International solutions. Using our global network and provisioning we can assign you an **International DID number**. Just a low monthly charge and rates as low as \$.03 per minute we provide you with a DID number which will ring directly to a designated number. Ideal for longer assignments, a "local office" overseas, friends, family and colleagues to reach you when you are stationed in one place for a longer amount of time. To learn more view our web site and/or e-Mail your inquiry to sales@roamabout.com.
